

## GoPlant API Documentation

GoPlant API information is in the Admin tab in GoPlant. See screenshot below:

The screenshot shows the GoPlant Admin interface. The top navigation bar includes 'DASHBOARD', 'MANAGER', and 'ADMIN'. The 'ADMIN' tab is active. On the left, a sidebar menu lists various settings, with 'API Settings' selected. Below the menu is an 'Apply' button. The main content area is titled 'API Basic Authentication Credentials' and contains a table of credentials. A red arrow points to the 'API Documentation' button in the top right corner of the main content area.

Username	Password
DISPLAY	[blurred]
DYNAMO	[blurred]
HACHWIMS	[blurred]
IP21	[blurred]
MAINSAVER	[blurred]
MAXIMO	[blurred]
OSIPI	[blurred]
PHD	[blurred]
GoPlantAPIAccess	[blurred]
SKFAPI	[blurred]
POWERBI	[blurred]
EHS_COVID	[blurred]
TESTTAG	[blurred]
SAFETY	[blurred]

Customers looking for GoPlant API integration can use the usernames and passwords found in their own GoPlant site admin tab. Do not forward customers the passwords found in the demo GoPlant site (blurred in the example screenshot).

The API Documentation can be found at the link highlighted in the screenshot. Additionally, this link should work as well - <https://skf.goplant.mobi/api/docs>

There are additional details regarding API documentation / setup available in the GoPlant Enterprise documentation found in the installation packages located at <https://app.goplant.mobi/>
